## The Traditions are as follows of Pierce County Loyalty Groups:

(7-Traditions are borrowed in part from International Organizations of Goal Achievers International & Alcoholics Anonymous – These Traditions and the Original 12 Traditions of A. A. have been in place since creation in 1939 and adopted by the World Services of A.A. copyrighted in 1943)

1. Our common welfare should come first; personal and professional achievement depends on UCN Biz Group & P.C.L.G. unity. Each Member is responsible for their own conduct
2. There is no authority, other than the spirit of cooperation expressed through our group conscience. Our facilitators are but trusted servants they guide the group in positive results.
3. Each group has one primary purpose: to help one another towards the achievement of each member's goals and to be a Resource to the Community at large that they operate, live and/or work in. (On-line & Off-Line)
4. Our public relations policy is based primarily on attraction rather than promotion.
5. Our direction is born out of eighteen core values:
  - Vision • Faith • Integrity • Courage • Concentration • Commitment
  - Creativity • Enthusiasm • Encouragement • Loyalty • Goodwill
  - Honesty • Trust • Cooperation • Kindness • Generosity
  - Unity • Service
6. Our collective values are the foundation of UCN Biz Groups & P.C.L.G, ever reminding us to place principles before personalities.
7. None of us are perfect. We claim a quest towards constant, never-ending progress, rather than perfection.

These are suggested guidelines. As it states in A.A. in its 70 plus year history that it is always “Progress not Perfection, A.A. has survived its infancy, its growth and its individual members and group for over 75 years now – passing their Steps and Traditions to countless other groups. We feel that these should do UCN Biz Groups & P.C.L.G. well.

“Individual Autonomy”: Tradition 4 in A.A. (2 above) – this is important - the group's autonomy allows us to grow and to achieve the groups primary purpose. “Long Term Relationships” through regular attendance of meetings and 1-2-1's resulting in building Referral Networks – Through Referral Marketing.
